August 2019

Dear Parishioners

Parish Council Final Accounts

During the last quarter the Parish Council's Accounts for 2018/2019 have been closed down and considered by both the internal and external auditors. I am very pleased to report that there were no issues highlighted by either auditor so the parish has a clean financial bill of health for another year.

Parish Council Vacancy

The Parish Council currently has a vacancy in the West ward of the parish. Applicants from the Tursdale area would be particularly be welcomed and anyone interested in the role should get in touch with me using the contact details above. Please provide a brief statement telling us why you think you may be suitable for the role and any experience you may have which would be relevant.

Planning Applications

At each monthly meeting of the Parish Council, Members are given the opportunity to comment on planning applications within the Cassop-cum-Quarrington parish area. Councillors were pleased to note that the planning application had been submitted for the new primary school on the site of the existing Bowburn Junior School and were supportive of the proposed development.

Integra 61 Development

A representative of the developers of the Integra 61 site had attended a Parish Council meeting to respond to questions and issues raised by the Members about the work on the site. Councillors continue to have dialogue with the developer and to raise any concerns about the works as they arise.

Neighbourhood Plan

The Parish Council has been kept up to date with the development of the Neighbourhood Plan in recent months and has commended the work which has

gone in to getting the Plan to its final stage prior to pre-submission publication. More detail on the Neighbourhood Plan appears elsewhere in the Interchange.
