March 2020

Dear Parishioners

New Parish Councillor

The Parish Council has welcomed George Storey as a new representative of the East ward. Councillor Storey has a wealth of experience which he brings to the role of parish councillor and is a resident of the Cassop area of the parish.

There is still a vacancy in the West ward of the parish but the Parish Council hopes to co-opt to this position in the very near future.

A New Artwork for Bowburn

Members have continued to liaise with Groundwork North East and Cumbria on the new artwork for Bowburn and an Artist's Brief has been agreed which will enable artists to submit proposals for the artwork which will combine the industrial and cultural heritage of the village. Local community groups, children and young people will be actively encouraged to be part of the design journey for the artwork.

Parish Council Budget 2020/2021

The Parish Council agreed its budget for the forthcoming financial year in January. The main part of the budget continues to support the youth provision in Bowburn and councillors receive monthly reports setting out how the funding is used for the benefit of children and young people in the parish area.

Neighbourhood Plan

The Parish Council was pleased to approve the draft Neighbourhood Plan for consultation at its February meeting and looks forward to the next phase of this essential piece of work for the future of the parish.

Gillian Kelly
Clerk to Cassop-cum-Quarrington Parish Council
