March 2021

Dear Parishioners

### **Integra 61 Development**

The Parish Council continued to liaise with the developers of Integra 61 to highlight issues as they arose, and James Taylor from Citrus Group had attended a recent meeting to discuss the latest plans for the site.

Members were currently engaged in a consultation regarding the footpaths in the area of Integra 61 to ensure that these remained accessible for parishioners.

### **A New Artwork for Bowburn**

The plans for the artwork were moving ahead and the planning application for the site had now been submitted to Durham County Council. Members were meeting with the artist on a regular basis to receive progress updates and it was envisaged that the miner's lamp sculpture and complementary pieces would be installed during the summer.

### **Parish Council Budget 2021/2022**

The Parish Council agreed its budget for the forthcoming financial year in January. The main part of the budget continues to support the youth provision in Bowburn and councillors receive monthly reports setting out how the funding is used for the benefit of children and young people in the parish area.

### **Tursdale Play Area**

The Parish Council has agreed to work in partnership with Durham County Council to secure Section 106 funding to refurbish the play area in Tursdale. £40,038 was available to support the project and it was intended that the work would be carried out later in the year.

Gillian Kelly  
Clerk to Cassop-cum-Quarrington Parish Council
